

FIRST UNITED METHODIST CHURCH BIRMINGHAM

WEDDING POLICY

A church wedding is a service of worship and consecration – a religious ceremony – and all preparations should be made with this in mind. All components of the wedding service should be of a spiritual nature and appropriate for a Christian service of worship based on The Book of Worship of the United Methodist Church.

The First Church Wedding Director will review this policy with the couple getting married. We recommend that the applicants and their families carefully read this document governing weddings at First Church. We also want you to be aware that First Church is an open place for all, meaning that we welcome and affirm everyone regardless of race, ethnicity, sexual orientation, or gender identity. From time to time, we hang banners outside of our church that communicate our desire to be welcoming and open to all. These banners, along with any other First Church signage or communication, will not be removed or obscured in any way for weddings.

Scheduling the Wedding

The applicant(s) must request a meeting with the Wedding Director to determine the location of the wedding (Sanctuary, St. John's Chapel or Loft) and to schedule a date and time. The Wedding Director will reserve the date on the Church calendar only after an application form is completed and the deposit is paid. Sanctuary and Chapel weddings require a meeting with the Music Director/Organist. Loft weddings require a meeting with the Loft Worship Leader.

Weddings will not be scheduled for Sundays, New Year's Day, Holy Week, Fourth of July, Thanksgiving, and Christmas Day, except by express approval of the Senior Minister.

If one of the applicants, their parents, or grandparents have been members of First Church for at least one year prior to the scheduled date of the wedding, the applicant may pay the member rate.

If the applicants, their parents or grandparents are not members of First Church or have been members of First Church for less than one year prior to the scheduled date of the wedding, the applicant must pay the non- member rate.

If a cancellation is made six (6) months or more prior to the date reserved, the applicant will receive a refund of fifty percent (50%) of the total fees paid. If a cancellation is made less than six (6) months prior to the date reserved, no refund will be given and First Church will retain all fees paid to date.

Music for Sanctuary & St. John's Chapel Weddings

For Sanctuary and St. John's Chapel weddings, the applicant must schedule a consultation with the Music Director/Organist. Together, the applicant and the Music Director/Organist will select music for the wedding and make arrangements for additional musicians if desired.

The First Church Organist plays the organ for all weddings in the Sanctuary and St. John's Chapel. If they are unavailable, they will engage another local organist for the wedding. Selection of an alternate organist is at the sole discretion of the First Church Organist. No one else may engage an organist for the ceremony.

Secular music or recorded music may not be used during the ceremony in the Sanctuary or St. John's Chapel. The First Church Organist must approve instrument or vocal amplification.

The Director of Music/Organist will provide other musicians as agreed and will notify applicant of the extra fee.

The Organist's fee includes one consultation for music planning, rehearsal with extra musicians if needed, up to thirty (30) minutes of prelude music for the ceremony, and the ceremony itself. Additional planning meetings, extra rehearsals, and attendance at the wedding rehearsal will incur additional fees.

Music for Loft Weddings

For Loft weddings, the applicant must schedule a consultation with the Loft Worship Leader. Together, the applicant and the Loft Worship Leader will select music for the wedding and make arrangements for additional musicians if desired. After consultation with the applicant, the Loft Worship Leader will determine the number of technicians necessary for sound, lights and video. Either the Loft Worship Leader or the Wedding Director will provide this information to the applicant. If the Loft Worship Leader is unavailable, they will arrange a suitable substitute.

The Loft Worship Leader fee includes one consultation for music planning, rehearsal with extra musicians if needed, and the ceremony itself. Additional planning meetings, extra rehearsals with soloists, and attendance at the wedding rehearsal will incur additional fees.

Clergy

The First Church Senior Minister or Associate Minister will perform the wedding ceremony. If neither of them is available on your chosen date, the Senior Minister will invite another ordained United Methodist minister to perform the ceremony.

The Senior Minister must approve the inclusion of any minister not appointed to First United Methodist Church Birmingham. This restriction applies to United Methodist clergy, clergy of other denominations, and non-denominational clergy. The Senior Minister will invite the approved minister to assist at the wedding ceremony.

Any minister performing a marriage ceremony in the Sanctuary or St. John's Chapel must wear either a pulpit robe or appropriate business attire.

The minister(s) performing the wedding ceremony customarily receives an honorarium. The honorarium is paid directly to the minister(s) and is not part of the wedding fees collected by First Church. The honorarium should be given to the minister(s) prior to the rehearsal.

The Wedding Director

The Wedding Director will provide to the applicant the contact information for the Senior or Associate Minister, the Music Director/Organist or the Loft Worship Leader, and the Sound Technician.

The Wedding Director will direct all weddings at First Church. The Wedding Director's fee includes two (2) consultations with the couple and/or wedding party, a one (1) hour wedding rehearsal, and four (4) hours on the day of the wedding (ceremony included). Other meetings for any reason will incur an additional.

Holy Communion

The service of marriage is a worship service and only those things that are appropriate in a worship service in the United Methodist Church are appropriate in the marriage ceremony. If the sacrament of Holy Communion is requested, the following options are available:

All attendees will be invited to participate and the sacrament will be served to all who respond to the invitation. It is the policy of the United Methodist Church that if served in a congregational setting, all are invited to receive Holy Communion, or

The couple getting married may receive the sacrament at a time separate from the marriage service, on the same day as the service, or

The entire wedding party (or those who wish to receive the sacrament) may receive Holy Communion together at a separate time on the wedding day.

Sound Technician

Due to the expense of the equipment and the knowledge and training required to operate the audio-visual systems in the Sanctuary, St. John's Chapel and the Loft, a First Church approved Sound Technician is required for all weddings where a microphone or other audio or visual equipment is used.
